and Washington will be delivered in two sections which link together.

Recliner chairs are only available with the operating button on the left hand facing side of the chair.

#### SCATTER CUSHIONS

All standard scatter cushions are available as piped or unpiped which are approx 47cm x 47cm when filled.

Fabric from our upholstery range may also be used for scatter cushions.

#### ARM CAPS

Oakland arm caps are suitable for use on soft fabric cover Oakland standard, recliner and Elevate furniture.

#### W AND K GRADE FABRICS

Are only available on the Tate, Turner, Hepworth, Firth, Hayward, Soho, Wallace models through selected stockists.

#### FABRIC DURABILITY

All G Plan fabrics are suitable for general domestic use. Fabrics are graded A, B, C and W to denote price according to their construction and yarns used.

A higher price is not an indication of greater durability.

#### FABRIC SWATCH SAMPLES

Fabric samples are available on request.

#### FIRE RETARDANCY STANDARDS

All the fabrics in the G Plan pattern book, including scatter cushion fabrics, conform to

Furniture & Furnishings (Fire) (Safety) Regulations 1988 and subsequent amendments.

#### CUT LENGTHS OF FABRIC

Please note that the minimum order quantity for cut lengths of fabric is 1 metre.

Fabric is supplied in whole metres only.

Please note that some of these fabrics may not be suitable for curtaining.
